The Essentials

Mission

Love Alwayz is a 501(c)(3) non-profit public charity that cultivates **Community Grow Centers (CGC)** to increase food security and provide individuals with self-sustaining agricultural skills to nourish themselves to a healthier lifestyle for physical and mental well-being.

CGC: Central location(s) where we create permaculture gardens that are maintained by the surrounding community. Our goal is to develop these centers in food-insecure, urban areas.

Garden of Treatz = MAIN COMMUNITY GROW CENTER (Located in Bradner, OH)

Initiatives

Tree of Treatz: We gift fruit and nut trees to families, organizations, and communities.

Garden of Treatz Youtube Channel
