

Love Alwaysz Foundation 2023 IMPACT REPORT

"Rejuvenation of our nation is participation"

We cultivate Community Agricultural Centers to **increase food security** and provide individuals with **self-sustaining agricultural skills** to nourish themselves to a healthier lifestyle for **physical and mental well-being**.

Letter from our Board of Directors

Our very first year was a great experience, challenging, but we learned a lot! We look forward to building a stronger board and organization in the upcoming year! A huge thank you to all of our donors and supporters, you help us continue to grow.
